Harmonica

When Adam and Eve was in the Garden of Eden, they must have shook that thing
Well, the leaves started falling, the snake started crawling, he must have gave her a diamond ring
Adam said to Eve, you just won't wait
'Til I get out of this garden gate
When Adam and Eve was in the Garden of Eden, they must have shook that thing

Harmonica

When Adam and Eve was in the Garden of Eden, they must have shook that thing
Well, the leaves started falling, the snake started crawling, he must have gave her a diamond ring
Eve said to Adam, if you cared for me
You would eat this fruit from the forbidden tree
When Adam and Eve was in the Garden of Eden, they must have shook that thing

Harmonica

When Adam and Eve was in the Garden of Eden, they must have shook that thing
Well, the leaves started falling, the snake started crawling, he must have gave her a diamond ring
Eve said to Adam, go and sleep in the crib
Adam said to Eve, I'm gonna sleep with my rib
When Adam and Eve was in the Garden of Eden, they must have shook that thing
