

Always In Love With You

Charlie McCoy (1930)

Instrumental

Baby if you should stray a million miles away
I'll always be in love with you
Baby if you should go, and never come back no more
I'll always be in love with you
 I can't do nothing more, I have tried so hard
 You won't write me a note to try to pacify my mind
But wherever you may be, and whatever you may do
I'll always be in love with you

Instrumental

Baby you did me wrong when you drove me from your home
But I'll always be in love with you
Baby I want you to know that wherever you may go
I'll always be in love with you
 I can't eat, I can't drink, I can't talk for crying
 But it seems to me from what I've heard that you are having the best of times
But wherever you may be, and whatever you may do
I'll always be in love with you
