Listen here, folks, I'm gonna sing you a little song  
Tell you what goes on down in my home

Down home in Kentuck, down home in Kentuck  
Roo doo, doo doodle-oo doo, Kentucky my home

I've got the blues, can't help from cryin'  
Gonna grab that train called the Monon Line

And go back to Kentuck...

Down in Kentucky, that's the place for me  
Gonna go to the Jug Band Jubilee

Down home in Kentuck...

When you get here there's one thing you should know  
You've got to grab a jug and get ready to blow

Down home in Kentuck...

When I get down home, if I'm able  
I'm gonna throw two feet under that table

Down home in Kentuck...

Good times down home, get nekkid, go swimmin'  
Plenty good liquor, fast horses, pretty women

Down home in Kentuck...

Down home in Kentuck...
