

Get It from Behind

Inspired by the Memphis Jug Band (1932)

E, E, E, E
A, A, E, E
B7, B7, E, E

smooth style like Bottle It Up and Go?
instrumental breakdowns like Bottle It Up and Go
chorus like You Gotta Have That Thing

When the gate is locked, the front door, too
The blinds pulled down, whatcha gonna do?

You got to get it from behind, turn it around
Get it from behind, come on down
What you got on your mind? You got to get it from behind

OR

You got to get it from behind, turn it around
Get it from behind, come on down
Stick it where the sun don't shine, and get it from behind

Go out to the curb, bring your can
Stick it out, baby, here comes the garbage man

Solo

I'm gonna get behind the wheel, and step on the gas
And drive it all the way to your yas yas yas

I might get old but I don't mind dying
'Cause when I'm an angel I'll get it while I'm flying

Solo

You can get it from the front, get it from the back
The best way to get it is tight like that
