

# If You Take Me Back

Big Joe and His Washboard Band (1940)

## Instrumental

If you take me back, I'll treat you nice and kind  
If you take me back, I'll treat you nice and kind  
And you won't have to worry, I'll love you all the time

If you take me back, I'll do better every day  
If you take me back, I'll do better every day  
All I want is your love, you can throw my money away

## Instrumental

If you take me back, I'll tell you what you can have  
If you take me back, I'll tell you what you can have  
You can have plenty of money and dress like a millionaire

If you take me back, I'll prove my love to you  
If you take me back, I'll prove my love to you  
I know that's all a poor old boy can do

## Instrumental

If you take me back, I'll buy you a diamond ring  
If you take me back, I'll buy you a diamond ring  
And if you don't, my life don't mean a thing
