

Save Me Some

Palooka Washboard Band (1937)

Clarinet solo

Won't you save me some
I won't tell where I got it from
Don't keep me on the run
Oh, baby baby baby won't you save me some

Won't you lend me some
I won't tell where I got it from
It will be a lot of fun
Baby, baby won't you lend me some

Piano solo

Pretty mama, won't you sell me some
I won't tell who I bought it from
Don't be so doggone dumb
Pretty mama, pretty mama won't you sell me some

Be sure and save me some
I won't tell where I got it from
It's the best under the sun
Baby, baby, won't you sell me some
