Oh, baby, I want to ride with you tonight
Oh, baby, I want to ride with you tonight
Oh, if I ride with you, pretty baby, oh how it'll make me feel so right

Oh, baby, don't you like my automobile?
Oh, baby, don't you like my automobile?
I want you to tell me, pretty baby, oh, how it makes you feel

Oh, baby, don't have me *while* my time away
Oh, baby, don't have me *while* my time away
While I while my time away, baby, I could be a million miles away

Oh, baby, I want to talk with you tonight
Oh, baby, I want to talk with you tonight
Oh, can I talk to you, darling, while the moon is shining bright?

You told me just a long time away
Oh, you told me, baby, just a lot of time away
That if you'd ever come to me, I'm gonna ride with you tonight

Oh, baby, I want to ride with you in the moonlight tonight
Oh, baby, I want to ride with you in the moonlight tonight
I want to ride with you, pretty baby, ??? *a hot Memphis day*
